The tradition of music and theatre continues into the Fall and Winter season in the 1000 Islands Region and the St. Lawrence Valley. Live music, shows, productions, concerts, plays and events continue to cater to an audience of local residents and visitors. A favourite winter attraction is the warmth and glow of a Christmas Concert or the sweet young voices of a Youth Choir. One can experience theatrical productions or take part in a feast of local flavours and entertainment.

The Performing Arts Experience in the 1000 Islands is enhanced by the location of its venues. Located in historic communities, most are within an easy stroll to a choice of restaurants. Explore the towns and villages with snow lined streets and enjoy the festive season with musical entertainment.

Whatever the season, the 1000 Islands Region is renowned as a vacation destination and has long been a part of the region's tradition.
