THANKS TO OUR LANDOWNERS

Throughout our trail system, generous landowners allow the winter use of their property for the enjoyment of snowmobiling. This land use privilege is crucial to the existence of snowmobile trails which provide many social, recreational and economic benefit to our entire community.

We ask all snowmobilers to help us say thanks to our landowners by staying on the trail at all times.

Remember, trail use is a privilege, not a right.

Thank You from all the OFSC clubs and volunteer members in Ontario
