

THE 1000 ISLANDS PERFORMING ARTS EXPERIENCE

The 1000 Islands Region is renowned as a vacation destination. Music and theatre have long been a part of the region's summer tradition.

Performing arts organizations in the St. Lawrence Valley cater to an audience of cottagers, vacationers and residents with a lively schedule of musical and theatrical performances. Visitors will find a range of choices from original theatrical works to Shakespeare; from classical ensembles to country stars.

The Performing Arts Experience in the 1000 Islands is enhanced by the location of its venues. You'll be able to enjoy a performance along with a visit to the waterfront at most theatres and festivals. Located in historic communities, most venues are within an easy stroll to a choice of restaurants. Many of the region's theatres have been recently renovated or expanded to assure a quality, comfortable experience at any performance.
